

MAKE FRIENDS. HELP THOSE IN NEED. JOIN THE CLUB!

In 1939, a group of film bookers gathered at the Dixon Cafeteria on Eighth Avenue in Manhattan to form a Social Club for local people in the film business. A dinner celebrating the formation of the Motion Picture Bookers Club and the installation of its first group of officers was held at the Hotel Astor in 1940. Over the years, the organization has grown to include people from all areas of the motion picture industry – exhibition, distribution, advertising and other related businesses. Its name was changed to Motion Picture Club in order to reflect that growing membership, which presently includes some 350

professionals throughout the country. With the increasing consolidation of our industry, it is more important than ever to foster camaraderie among members of the film community. In addition to meeting great people and sharing good times, our main focus is on raising funds for our industry charities. Each year, through our member events and fundraising activities, The Motion Picture Club makes substantial contributions to Variety-The Children's Charity, Will Rogers Motion Picture Pioneers and Ronald McDonald House, along with supporting numerous other worthy causes, both locally and across the country.
